## JOCKEY JOTTINGS

Hello Swingers out there in radio-land! This is Bill Crisp taking time out to let you know what's happening on these 790 kilocycles. Money is what's happening baby. And you can get your share by answering your phone "Hello WAKY" when we call your house. It's so much fun giving away the bosses money. I heard that Jack "Gzork" Daniels got bit by his monster. Seems the gzork had a bad case of indigestion probably from someone you had fed it the night before. Anyway, the gzork didn't want to go into the control room that evening. Jack allegedly escaped injury. I think the whole story is a hoax myself. We are quite proud of our news department as the have just been announced as winner of the Kentucky Associated Press Bureau 1965 News contribution award, for the third consecutive year. Time for mama to come and get her darling baby boy! See you in the morning!
